

Data Exchange 2024 Vendor Badging

Indiana Department of Education (IDOE)

VENDOR BADGING PROCESS

Data Exchange documents

- Vendor badging scenarios with data
- Scenarios checklist

Schedule vendor badging

- Vendors to choose the date to begin the badging process
- Vendors to provide badging scenarios checklist and preferred EdOrgIds
- Vendors to provide reasons for exceptions

Badging environment access

- Credentials and URLs will be provided when badging is scheduled

VENDOR BADGING PROCESS CONTINUED

On the day of badging

- Start the submission process with the data provided by IDOE in badging sheet
- Once the process is complete, preliminary verification will be done
- Findings if any, will be communicated to vendor on call

Process completion

- Data submission will be manually verified offline
- After all the applicable resources are done, vendor will be informed of the results
